INSTRUCTION MANUAL

Jervis Outdoor L-Shaped Sofa Lounge (Long Side Left)

SKU:ODZY-SF9802

ASSEMBLY INSTRUCTIONS & CARE GUIDE

Please read these instructions carefully before assembly and retain them for future reference.

IMPORTANT ASSEMBLY NOTICE

- Do not fully tighten the bolts and screws during initial assembly.
- Once all components are assembled, place the sofa on a flat, level surface. Ensure all parts are properly aligned before fully tightening all bolts and screws.
- Do not overtighten the screws, as this may damage the frame or fittings.
- Ensure all bolts and screws are securely fastened before use.
- Take care when handling heavy components or sharp edges during assembly.

SAFETY & MAINTENANCE

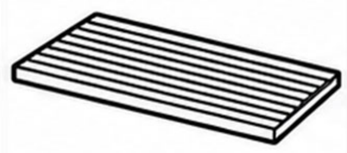

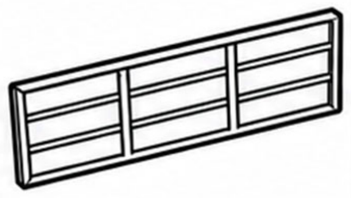

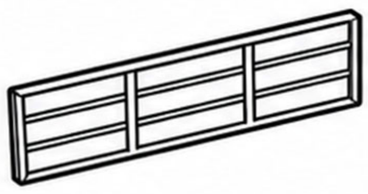

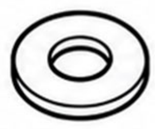

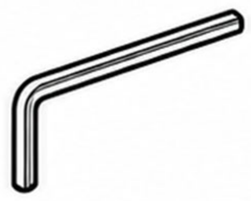

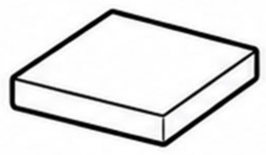

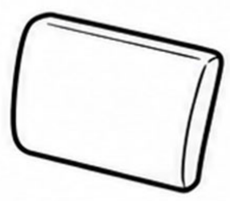

- Do not exceed the recommended weight capacity.
- Do not stand or jump on the sofa, or use it as a step ladder.
- Check and retighten all bolts and screws every 90 days.
- Do not use the sofa if any parts are damaged, loose or missing.
- Clean the aluminium frame with a soft cloth, mild soap and water. Avoid abrasive cleaners and harsh chemicals.

CUSHION CARE & WEATHER PROTECTION

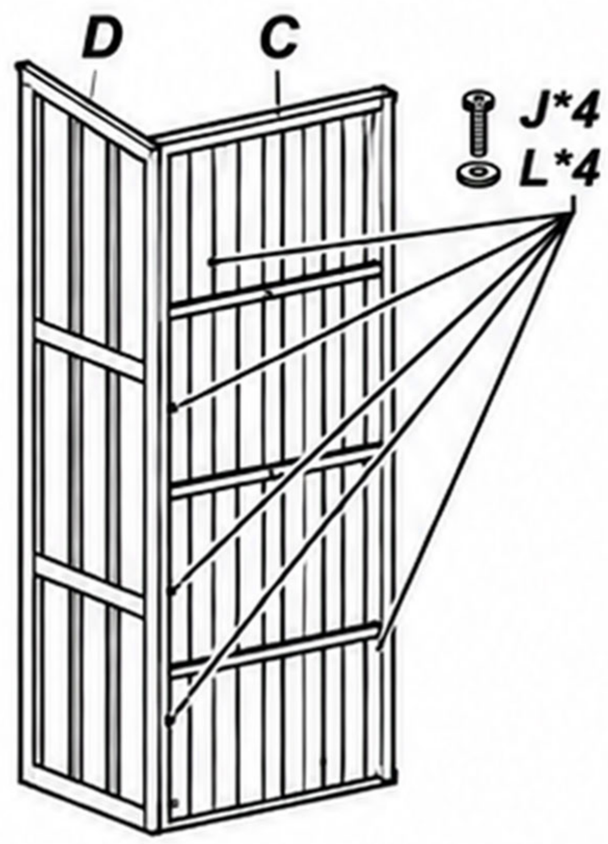

- **Water-resistant, not waterproof:** Cushions can withstand light splashes and brief exposure to light rain but may become saturated during prolonged rainfall.
- **Rain protection:** We recommend using a suitable outdoor furniture cover when the sofa is not in use. During heavy or prolonged rain, store the cushions in a dry, sheltered area.
- **Hand wash only:** Seat cushion covers and back cushion covers must be hand washed only. Do not machine wash or tumble dry.
- **Dry thoroughly:** Allow cushions and covers to dry completely before use or storage.
- **Prevent mould:** Never store or cover cushions while damp, as trapped moisture may cause mould and mildew.

IMPORTANT: Proper assembly, regular maintenance and protection from prolonged exposure to the elements will help extend the life of your outdoor furniture.
